

Helicopter tours

Private helicopter tours throughout Papua New Guinea.

The Isurava Scenic

This is a private tour with around 1 hour and 15 minutes flight time (2hours total) that takes off from Port Moresby, takes you over to the Isurava Memorial flying past some spectacular landscape and waterfalls. You will have about 30 minutes on the ground to experience the Isurava Memorial before we follow the track back up past Templetons crossing, over Myola, and then weave our way back to Owers Corner flying past the remote Mt Koiari villages. From Owers Corner we follow the steep cliffs of the Madu Adu range back into Port Moresby. We can take up to 5 people on this trip and flights are completed early in the morning for the best views and weather.

This flight is a fixed rate of 7900pgk including GST per helicopter.

The Village Experience

A unique opportunity to experience the way of life in remote PNG communities along the Kokoda Track, this trip offers a flight from Port Moresby to one of the 13 villages we provide services to along the Kokoda Track. The total flight time is about 35-40 minutes, and you will get around 1-2 hours on the ground to be guided around and explore a village before returning to Port Moresby. This flight is only available on days we have scheduled service flights to the villages (presently Monday and Thursday) and actual time in the village varies depending on scheduling requirements.

The price per person for a village experience is 1,000pgk per person including GST.

The Full Kokoda Experience

A combination of the Isurava Scenic and the Village Experience. You will fly over to Isurava to visit the memorial, see the spectacular landscape and waterfalls along the way, and explore the village to experience life in remote PNG. Total trip time is 3-4 hours (varies depending on schedules) with about 1 hour 30 minutes flight time. We can take up to 5 people on this trip and flights are completed early in the morning for the best views and weather.

The Full Kokoda Experience is a fixed rate of 8400pgk including GST per helicopter.
